“The intent of our conference was to spread the message of the Virtues Project and see it come to life within more schools, homes and personal lives than ever before...Your presentation was absolutely incredible! The rapport that you instantly develop with a large room of people and the sense of purpose that your words create reflect your ability to communicate, teach and inspire.” Foundations Committee, Big Island Lake Cree Education, Foundations Conference 2005.

*“I want to whole-heartedly endorse the outstanding Character Education workshop presented to the Moscow School District by Linda and Dan Popov. It was FANTASTIC! The Popovs are incredible – the two days flew by so quickly! Teachers, kindergarten through twelfth grade were absolutely thrilled with the new approaches they could bring to their classrooms to build character... Many hurried back to their classrooms to get the activities up and running. I am extremely pleased to report that we now have the Virtues Project being implemented in our high school, junior high and elementary schools.” Cindy Bechinski, Ph.D., Director of Curriculum, President, ASCD, Idaho, 208-892-1155
